

Math Parent Night!

November 7th from 6:00-7:00pm

- The purpose of this night is to teach you skills that your child(ren) are learning at school. The night will be set up in 20 minute blocks of time and is designed to give you tools and resources needed to assist your child at home.
- We will be offering 3 different types of lessons:
 - Grades K-2 Focus: mClass Math
 - Grades 3-6 Focus: Lattice Multiplication
 - Technology Focus: Using IXL and Everyday Math online resources
- All lessons will be presented by students from North Side.
